K: Do you know what John Hunts wants on Friday.

S: I'm trying to guess. It apparently concerns with the super antelop matter but exactly what it is I don't know.

K: Well, how the hell can I make a decision if I don't know what's going on.

S: I'm trying to get together for you everything that bears on it.

K: Well, why don't you ask Ramsbotham ~~what~~ it's all about.

S: I have tried and I'm not sure he knows, ~~but~~ but I will ask him now again. My guess is -- well I'll ask him.

K: Will you also tell Ramsbotham we're very eager to get the Diego Garcia concluded.

S: Yes, You know what happened yesterday in the Senate.

K: I know. We still want it concluded.

S: Yes. OK, I'll call him.

K: And also I'd like the Hunt appointment in the morning.

S: Well, I better check that with -- have you told you schedule makers -- well I'll talk with them.

K: Oh, about 11:00 or 11:30.

S: Yes. OK.

K: Thank you.
